Dear Mr Skaags,

It was a pleasure to meet you during your recent visit to India.

SAFE is interested in facilitating the implementation of an effective I&C System in India. It is considering proposals to set up model I&C Centres in certain cities wherever the respective state governments grant permissions.

In this connection; I would appreciate receiving from you a list of certified manufacturers of Vehicle. Inspection & Testing equipment for fitness certification. I would be particularly grateful if you could arrange for this list to be sent to me at the earliest, if possible, by email. The list should preferably contain the address, phone nos, fax nos, and email addresses of the contact person in those manufacturing firm.

With kind regards,

Yours sincerely,

K Ramakrishnan
